FREQUENTLY ASKED QUESTIONS

FREQUENTLY ASKED QUESTIONS

What Is The Payment Term?

All payments must be made via TT bank transfer to our company account in Indonesia and should be done in USD. We use Bank of **BCA (Bank Central Asia)**.

Payment terms are **50% down payment**. After receiving this payment we start production of which coconut product that you order, and production of packaging.

After we finish the productions, you pay off **the rest 50% of payment**. Right after we receive the payment, we quickly take care of the delivery processes and the shipping documents:

Bill of Lading, Certificate of origin, invoice, packing list. Later on, we send you original documents via DHL or just a telex release.

Can We Have Custom Briquettes?

Yes, We are manufacturing coconut charcoal briquettes and able to adjust quality and price according to the buyer specifications and requests.

Briquettes shape and size based on buyer request.

What Is Your Material?

All of our coconut derivative product are manufactured from 100% natural, organically grown coconut shells and palm tree sap (for palm sugar) from Java, Sulawesi and Sumatera islands in Indonesia without any mixes with wood or artificial chemicals.

FREQUENTLY ASKED QUESTIONS
